

## ACCESSORIES

## TECHNICALL

- Output: 2 x Switch contact 2A
- Sizes: 30x16x34mm

## ARTICLE NO.

- Relais 12-24VDC : RK-4000
- Relais 5-8VDC : RK-4002
- Relais 10-30VDC/AC : RK-4001

**DURABLE AND  
MAINTENANCE FREE**

# RUKRA RELAIS

These relays are small, protected against reverse polarity and suitable for an infinite number of type circuits.

The relays can be supplied individually or as break print.

These relays should definitely not be missing in your suitcase components, the relay will always supplied with thick double-sided foam tape so that the relay sufficiently electrically isolated and can easily be mounted on virtually any surface.
