## RUKRA SPLITTER RJ-12 6/6

The RUKRA RJ-12 6/6 splitter is suitable for connecting the 3 x RJ-12 cables 6/6 from the RUKRA alarm buttons up and below the elevator (RK-2006) to the RUKRA Elevator Phone

The connections are internally parallel connected with each other.

All wires must be connected pin 1 to pin 1, pin 2 to pin 2, etcetera (not switched)

**DURABLE**      **AND**  
**MAINTENANCE FREE**
